### **OCF MEETING THIS WEEKEND!**

The February OCF Meeting is this Saturday at Heritage Park in Irvine, CA. This is our regular outdoor meeting spot, if you've been there before. If you need directions to the park, please hit reply to this email and we'll send the directions your way, right away! Topics we'll be covering on Saturday include:

- Attending the FA Ferret Round-Up in Sacramento March 31, 2007
- OCF actions since the last meeting of OCFerrets
- Plan of action to increase awareness of domestic ferrets in Orange County and beyond.
- Presentation of OCF board of directors – (yes, we have one...)
- Question membership to determine any new directions for the organization.

-Plus, a whole lot of fun! We can't seem to have a meeting unless there's some sort of activity! Come out and enjoy yourself, rain or shine! Don't forget your "Pocket Change"!

### **California Legislature Mailing**

A week ago, your very own OCF founders completed a mailing to more than 180 persons involved in the California Legislature seeking a sponsor for the 2007 Ferret Legalization Bill. While we move forward with the Ballot Initiative approach, we are also seeking to start trying the legislative process again (even though we've had more than our share of disappointments in the past with this method).

### **Scrapbook Drawing**

Tickets are still available at \$5 each! Get yours at the meeting this weekend! We'll be raffling off the scrapbook on February 18.

### **Legalize Ferrets Coffee Mugs & T-Shirts For Sale!**

Also at the meeting this weekend, we'll have Legalize Ferrets coffee mugs and t-shirts for sale as well as bumper stickers and pins. Coffee mugs are \$14 and T-shirts cost \$20. All proceeds go directly to the California Legalization Initiative For Ferrets (C.L.I.F.F.)
